## Principal

The image shows a web-based calculator interface. At the top, there is a horizontal bar with four colored segments: gold, teal, orange, and dark brown. Below this, the main interface is titled "Principal". It features a calculator form with two input fields labeled "Numero 1" and "Numero 2", a dropdown menu for operations (currently showing "+"), a blue "=" button, and a "Resultado" field. Below the form is a table with five columns: "Numero 1", "Numero 2", "Operacion", "Resultado", and "Fecha". The table contains three rows of calculation history.

| Numero 1 | Numero 2 | Operacion | Resultado | Fecha                    |
|----------|----------|-----------|-----------|--------------------------|
| 5        | 3        | +         | 8         | 2022-02-25T09:32:59.903Z |
